

Rotary Club of Newcastle Sunrise

Friend of Rotary (FOR) Membership

**Open to individuals that want to expand their charity to people in need,
locally or globally by partnering with a Rotary Club**

The Rotary Club of Newcastle Sunrise recognises that not everyone is able to become a full member of a Rotary Club.

Many people struggle with time. Others are not in a position where they can afford the cost of regular meetings and/or annual fees.

For those that recognise the integrity of Rotary's service commitment and effective delivery world-wide and share our ideals and objectives in our activities but cannot commit to the responsibility of full membership, we offer the **FOR** membership.

Annual membership is \$20 per person which covers you under our Insurance Policies. Your membership entitles you to:

- ✓ Attend our breakfast meetings
- ✓ Receive our weekly Bulletin
- ✓ Participate in community assistance programs and activities
- ✓ Help in local fund raising and events
- ✓ Enjoy our wonderful company and develop new friendships
- ✓ Contribute

As a **F.O.R. Member** you will be kept abreast of club events and receive 'calls for assistance' to participate or contribute to our Rotary activities. It is a preference that all members purchase a Rotary Shirt that is worn during most public activities.

There is no minimum level of contribution. All assistance is always appreciated in helping us help the community.

F.O.R. Membership differs from full membership as you will not be entitled to:

- Vote
- Attend Board Meetings
- Receive Rotary Australia and International publications

F.O.R. Membership is not available to existing Rotarians. It is not intended as a substitution for existing Rotary club membership. Anyone interested in becoming a full member of Rotary has to abide by Rotary Club Membership procedures and rules.

If you are interested in becoming a **F.O.R. Newcastle Sunrise Member** simply contact the Club Membership Director, Jenny Noblet on 0402 832 497 to discuss your next steps or visit our website www.newcastlesunrise.org.au and download an F.O.R. application form.
